## BGL- 87127 PARTS LIST & INSTALLATION INSTRUCTIONS

BGL-DECAL

### Parts List

- A: Cylinder lock & key
- B: S.S. round washer (2)
- C1: S.S. square washer
- E: Thread nut
- G: Pull bar
- I: Small round S.S. washer
- A-NUT: Cylinder lock & key nut
- K: Angle bracket
- BGL-ARROW: Arrow for pull bar
- BGL-DECAL: Installed on glass

### Instructions

- Install C1 into rectangular hole in door.
- Slide A into B and install into C1 from the front of door.
- On back side of door install another B and secure E holding everything into place.
- On the back of lock install G loosely using I and A-NUT.
- Install K on the side of the cabinet (screws not supplied). This will allow G to securely hold on it keeping the door closed. Adjustment will be required on G then tighten A-NUT. This step is difficult and may require the glass to be removed in order to do proper install of K and adjustment.
- Install BGL-ARROW onto G.
- Install BGL-DECAL on the inside of the glass.
