

Leaders in Fluorine-Free Foam Technology

- ✓ UL 162 Listed
- ✓ FM 5130 Approved
- ✓ More sprinkler listings than any other fluorine-free foam!

SOLBERG® RE-HEALING™ foams are the gold standard in fluorine-free firefighting solutions.

SOLBERG® RE-HEALING™ RF3 3% Foam Concentrate rapidly extinguishes Class B hydrocarbon fuel fires. Versatile SOLBERG® RE-HEALING™ 3x3 SP-100 Foam is the first UL-listed fluorine-free foam for both hydrocarbon and polar solvent fuel fires.

Custom Equipment Solutions

From bladder tanks and other proportioning systems to discharge devices and mobile products, we design hardware tailored to your needs.
